

Morning Worship *"Wait Patiently"*

Prelude
Welcome
Call to Worship

Leader: We believe in the gathered community of faith. Through it, we learn to love and to value life. In it, we find acceptance.

Congregation: We believe!

Leader: We believe in the wholeness of life. We are not intended to be split and divided as persons. We are created and set in a fractured world, so that we can bring it to wholeness as well.

Congregation: We believe!

Leader: We believe in one God expressed in three ways: Creator, Redeemer and Spirit. When we worship one, we acknowledge all. When we are troubled, God responds.

Congregation: We believe!

Leader: We believe in the flow of life, from birth through death into everlasting life. We cannot capture the wonder of life before God with explanations. We only know God is with us.

Congregation: Thanks be to God!
